
InternetNZ AGM 2024

Karakia whakatūwhera — opening karakia

Kia hora te marino

May peace be widespread

**Kia whakapapa-pounamu te
moana**

May the sea be like
greenstone

**Hei huarahi mā tātou i te rangi
nei**

A pathway for us all this day

Aroha atu, aroha mai

Let us show respect for each
other

Tātou i a tātou katoa

For one another

Hui e! Tāiki e!

Bind us all together!

Looking Ahead

Revised Treasury & Investment Policy

25

— Key Highlights

Principles and Objectives:

- Control and manage treasury risks
- Optimize net returns
- Ensure liquidity for operational and capital expenditure
- Diversify investments for capital preservation
- Maintain internal controls to minimize operational risks.

Investment Strategy

- **Short Term Fund:** Low-risk cash and income products
- **Long Term Fund:** Growth and alternative assets for sustainable funding.

Investment Beliefs

- Governance, diversification, and active management are key
- Asset allocation determines returns
- Historical performance is not a future predictor.

Council agreed on:

- \$11m ringfenced from all investments for funding public impact grants
- A commitment to return any annual gains after considerations to strategic and operational needs.

Reporting:

- Quarterly updates to Audit and Risk Committee and Council.

Membership update and survey results

Comparing member survey response rates

2023

83 responses out of 406 members (20.6% response rate).

2024

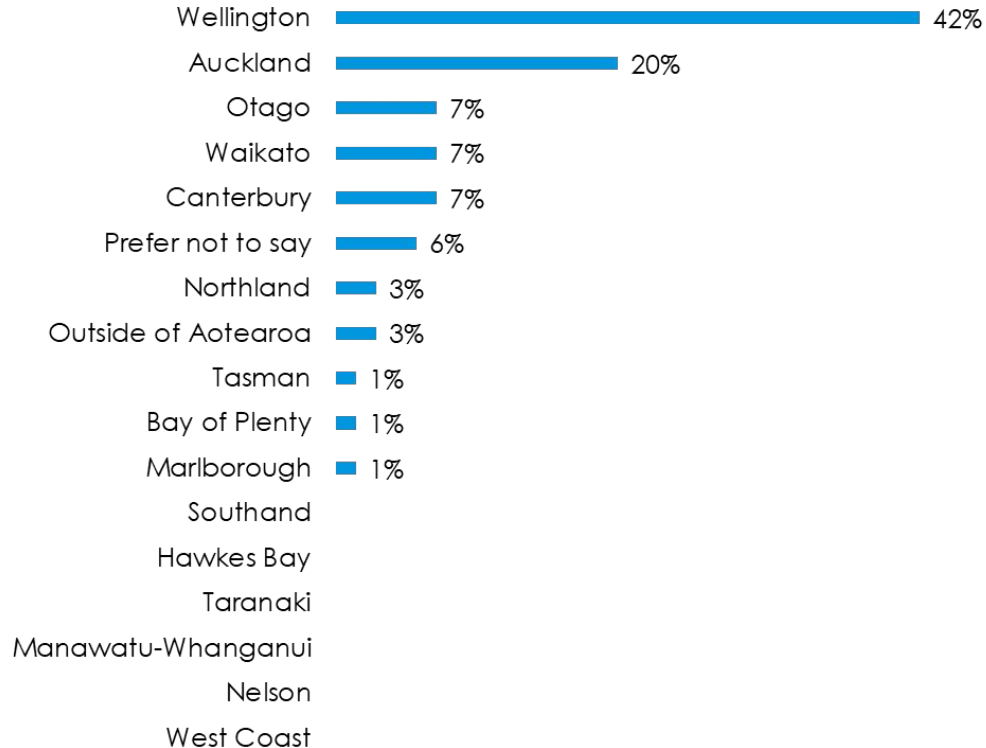

69 responses out of 386 members (17.9 % response rate).

Our membership's ethnicity

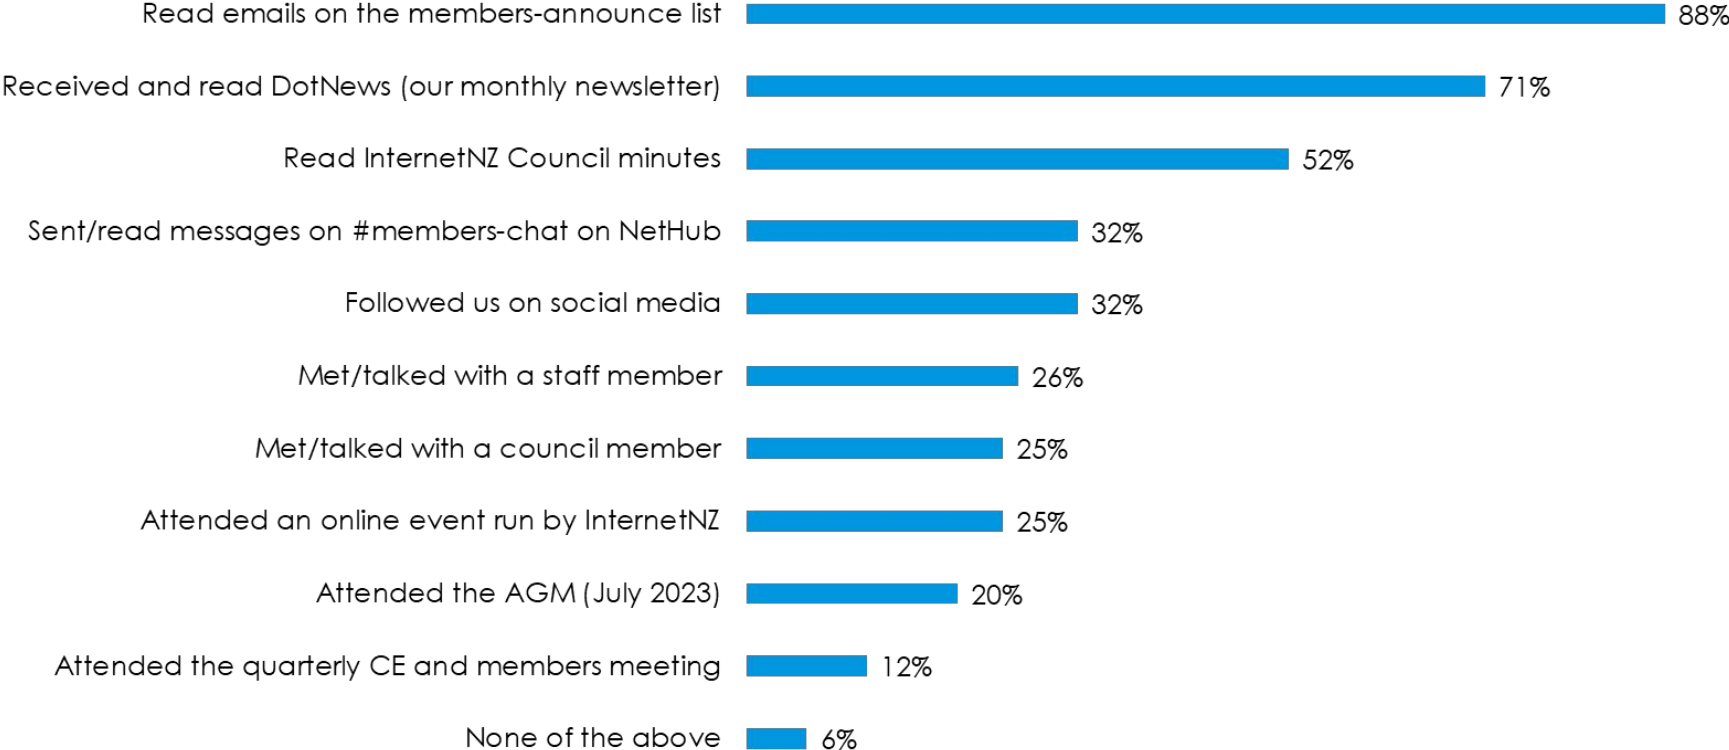

Where our members live

Our membership's gender diversity

How members currently engage with InternetNZ

How members would like to engage with InternetNZ

Why do members join InternetNZ?

Because they are...

- Interested in the sector and its governance.
- Keen to be part of InternetNZ and its modernisation to help the organisation head in a better direction.
- To keep up to date and be involved with the .nz rules
- To get a say on the future of the organisation.
- To support the original ideals of the Internet.
- To be able to have a say in elections and the constitutional review and build a more diverse membership.

What would make membership more valuable?

- Representation of youth/rangatahi views.
- Webinars, networking and lunchtime talks.
- More in person opportunities to connect.
- Higher level of concentration on the technical aspects of the Internet.
- Local community events - less of a focus on Auckland and Wellington.
- Opportunities to engage in meaningful kaupapa - like NetHui, and a way to keep those conversations moving outside of those spaces.

This year's feedback

- It was diverse - the survey responses ranged from highly positive to highly critical, indicating the broad spectrum of opinions within our community.
- This diversity of opinions highlights to us that we are in the midst of significant transformational change.
- That there is still work to be done to find the right balance between different perspectives within the membership space.

Some of the feedback included

- An interest in the public policy work - some members are keen to see this work elevated more.
- Bring back the members-discuss!
- Don't bring back the members-discuss!
- More opportunities to engage with InternetNZ and others face to face.
- A newsletter/bulletin to members with membership specific information.
- A strong preference for email communication.
- The ability to connect with InternetNZ technical staff.

What we plan to do with the feedback received

- The Membership Engagement Plan has been initiated, and we are focused on creating a more and inclusive and responsive organisation.
- A quarterly bulletin email from the Chief Executive.
- Look at our planned engagements and see what changes we can make to take into consideration the feedback received from members.

Planned membership engagement opportunities for 2024/2025

- NetHui — in-person for the first time in five years!
- The Constitutional Review.
- .nz Policy Review.
- International multistakeholderism — invitations to participate in global discussions to promote a collaborative and inclusive approach to Internet governance.
- Quarterly CE online hui.
- Member moderated members-discuss lists

Karakia Whakamutunga — closing karakia

**Kia tau iho ngā manaakitanga o te
wāhi ngaro**

May the respect and kindness of that
which cannot be seen

ki runga ki tēnā, ki tēnā o tātau

Be bestowed upon us all

Kia mahea te hua mākihikihi

May the seeds of doubt be cleared away

**Kia Toi te kupu, kia toi mana, kia toi te
aroha, kia toi te māramatanga, kia toi
te reo Māori**

Let the words, the power, the love, the
understanding, the language

Tūturu whakamaua kia tina.

Be established once again, hold it firmly.
Let it remain forever!

Hui e! Tāiki e!

Waiata: Tutira mai nga iwi

Tūtira mai ngā iwi,

tātou tātou e

Tūtira mai ngā iwi,

tātou tātou e

Whaia te maramatanga,

me te aroha - e ngā iwi!

Kia tapatahi,

Kia kotahi rā

Tātou tātou e

Tātou tātou e!

**Kua rāranga tahi tātou he
whāriki ipurangi mō āpōpō.**

**Together we weave the mat,
of the Internet, for future
generations.**
