Project title *

Evaluation of the digital skill needs of displaced workers to facilitate success in an internet-mediated world

Amount granted by InternetNZ? *

\$20,000.00

Must be a dollar amount.

Provide a short summary of the work that has been completed so far as part of this project/research. *

We thank InternetNZ for their generous grant for this work.

In the last few months, we have been completing some of the foundation works.

1. We have formulated our research plan.
2. contacted stakeholders and begun conversations so that research can be conducted. So far this work has been very positive and all parties appear to be interested in participating.
3. We have gained ethics approval from the University of Auckland. This process has been significantly delayed as the University has implemented a new system and the team has been frustrated trying to navigate it. This has taken more time than originally anticipated.
4. We are in the process of awaiting the Greenlight from 2020 Trust that we can begin engagement with their organisation's participants.
5. We are in the process of further discussions with DIAA.

Describe the "who, what, where, when and why" of your initiative.

When do you anticipate that your mahi will be completed? *
