## Feedback

You are almost at the end of your final report. Before submitting, please take a few moments to provide some feedback.

**Please tell us how you found the reporting process:**

Very easy  Easy  Neutral  Difficult  Very Difficult

**How many minutes in total did it take you to complete this form?**

20

Estimate in minutes (i.e. 1 hour = 60 minutes)

**Do you have any feedback?**

Evaluation Toolkit was excellent. It really forces you to think about what you're planning and how reality may differ from what you expect. One thing that would be helpful is perhaps more concrete examples of text that could go in the different slots in the Toolkit. The Toolkit can be a bit abstract at times and more examples would help.

Working with InternetNZ was a pleasure. No issues.

For example, feedback on the evaluation toolkit if you used it, the process of working with InternetNZ or anything else.

**InternetNZ is a membership organisation. Would you be interested in hearing more about becoming a member?**

Yes please  No thanks  I am already a member
