Grant initiative update

Initiative title *
Te Pae Hononga

Provide a short summary of the work that was completed as part of this initiative.
*
As a part of this initiative we were able to provide a meaningful solution to digital exclusion that ended up having far reaching and transformative outcomes for whaanau. We provided over 13 whaanau with digital solutions including free internet access, brand new devices and digital skills sessions. All of this was grounded in tikanga and te ao Maaori perspectives that meant digital connection was able to be used as a bridge to greater connection like the connections whaanau have to each other, their marae, their hapuu, their iwi, and their whenua.
Describe the "who, what, where and when" of your initiative.

Is this initiative complete? *
○ Yes   ● No

Are there any areas where you need further funding or support to complete this initiative?
We are in the process of recruiting a second cohort of whaanau and further funding is needed to support the delivery of this.

What are the outcomes of this initiative? *
We have seen amazing outcomes with this initiative so far. This includes opportunities for the inter-generational transfer of knowledge, rangatahi being able to engage in education,

whaanau able to keep photos of tuupuna safe online, kaumaatua able to put steps in place to prevent themselves from scams, people gaining employment for the first time, and entire whaanau able to stand confidently in their cultural identity. These outcomes have been captured in more detail through a research outcomes report written by Toi Āria in partnership with the feedback gathered from whaanau.
