2020 Grant Round Mid Year Report

Application GR000562019/20 From Mr Jeremy Greenbrook-Held

Form Submitted 25 Jan 2021, 11:20am NZDT

What have you learnt so far? *

There are marginal changes in the data compared to when the initial project was completed 13 years ago. That is to say - socio-economic and demographic deltas still exist.

(For research) What findings have you made so far? (For projects) Describe areas for improvement, challenges or reasons for success.

What (if anything) have you changed in your approach and practices? Why was this necessary?

The COVID-19 lockdown has changed a little bit about how I've approached the research (the working from home environment put more emphasis on household internet access, which I wasn't anticipating).

The lockdown has also delayed the project (my day job went into overdrive)

Describe any changes from the original proposal and the reason the change was required. We may use this information to help others doing similar work.

Which population group/s were affected by this project or program? *

Age groups > Adults (people aged 18+)

Ethnic and racial groups > Indigenous peoples > Pacific Islanders > Polynesians

Ethnic and racial groups > Indigenous peoples > Māori

Social and economic status > Economically disadvantaged people

Social and economic status > Immigrants and migrants

Please choose only the group/s that were at the very core of this mahi.
