This form is for Eligible Members who wish to submit a Member's Motion for the upcoming Annual General Meeting (AGM). This form includes all the required details for a valid motion submission. If you're using your own format, please ensure it contains the same information — the precise motion text, any supporting documentation, names and signatures of both the Mover and Seconder, and confirmation that both are Eligible Members.

Once received, your motion will be acknowledged by the Returning Officer and reviewed to confirm the required information has been provided and that the Mover and Seconder are Eligible Members. The motion will then be considered by the InternetNZ Board as part of the AGM preparation process. If any clarification or additional information is required, you will be contacted before the motion is published.
