Grant reference number:	#PRS2201600007
Name of recipient and contact details	<i>Please include mobile and email</i>
Name of organisation <i>(if applicable)</i>	
Title of project/research	Implement a self-maintaining production metadata catalogue describing NZ WMS and WFS services
Amount of funding received	<i>\$5000 + GST</i>
<i>Budget details</i>	<i>No funding has been required (or requested) to date, with volunteers undertaking the work to date.</i>
Timeline update	<i>Prototypes have been implemented and testing/tweaking to better meet user needs is being done before releasing for public access.</i>
Achievements to date	<i>A team of system engineers, developers and web/media staff has been put together, server space has been arranged, prototype systems have been implemented and are being tested.</i>
Difficulties to date	<i>Getting committed time from volunteers with other demands on their time. Being patient and encouraging, along with the assurance of some \$\$ from Internet NZ.</i>
Findings/learnings to date	<i>This is similar to previous projects I have undertaken, nothing new...</i>
Do you anticipate there being anything media-worthy in your project/research*	<i>Once complete, this will be a useful service for anyone searching for spatial data being provided by a wide range of agencies. Worth advertising from an internet and open data perspective.</i>
