Our priorities
July 2019 - Jan 2020

our focus areas

ACCESS TO THE INTERNET 〉 **TRUST AND SECURITY ON THE INTERNET** 〉 **OPENNESS OF THE INTERNET**

Review .nz policies to ensure they are fit for purpose.

Modernise and improve security for the .nz namespace.

Explore and deliver DNS Firewall, a new InternetNZ product.

Connect the digital inclusion ecosystem through a series of initiatives.

Deliver the national NetHui that people know and love in Wellington on 3-4 October 2019.

Extend work identifying domain abuse detection to include early warning of phishing attempts.

Helping New Zealanders harness the power of the Internet.
